**THE BEST PLACE FOR USED CARS
IN SOUTH FLORIDA!**

WELCOME TO

SOUTH FLORIDA usedcars magazine

Thank you for picking up an edition of **South Florida Used Cars Magazine**.

South Florida Used Cars™ is a vehicle shopping service which is the only one of its kind specifically serving South Florida. The service is online at SouthFloridaUsedCars.com and, if applicable, may include other sites owned or controlled by us, or our affiliates. For example, dealer vehicles may also appear on PalmBeachUsedCars.com and BrowardUsedCars.com, etc.

Participating dealers showcase their used cars for sale with us and local shoppers can find these vehicles without worry of traveling outside of the area to see them.

Each unit for sale on our website(s) and in this newsprint is for sale and located within Palm Beach, Broward or Miami-Dade County. Our goal is to help local dealerships sell used vehicles faster, and for local buyers to find what they're looking for locally or within approximately fifty miles.

Please keep in mind that what is inside this magazine is only a small reflection of what is available online. Please also note that all prices exclude vehicle registration, title, fees and taxes. Neither the advertiser nor **South Florida Used Cars™** is responsible for typographical errors or misprints. All information in this publication should be first verified with each seller. All vehicle data is retrieved through electronic means just hours prior to press-time. Advertisers reserve the right to change prices and specials without notice. All vehicles are subject to prior sale and they may no longer be available.

If you are not yet a participating dealer please call us today at (561) 459-3600 to advertise your vehicles with **South Florida Used Cars™**. If you are already a dealer but do not see your inventory in this print publication, please call us to upgrade your account or ensure that we have new and up-to-date paperwork (Advertiser Relationship Agreement) on file for your dealership.
